“ I have a lot of fond memories of my uncle. He was fun loving and a genuine people person. He loved to dance to disco and country music. I remember visiting him when we were young and he tried to teach his nieces to dance to the Hustle. When we were 11 years old, he took Vivian and I to Florida for vacation. I thought he was the coolest uncle because he had rented a street legal dune buggy (1975) that we drove around. Happy Birthday, Uncle D. Love you and miss you!
