“ Sending love and prayers to all of Jim's family members - I know this is a huge loss. Jim was one of my very favorite people, and having read Rob's condolence message here, I can't say it any better than he already has - I, too, always "felt good in his presence," and time spent with Jim was always, always worthwhile and generally filled with lots of laughter and quality conversation. I didn't see him often, but I will miss him very much. Vaya con Dios, Jim - until we meet again.

“ Uncle Jim will be missed by so many. For myself, I found our relationship growing closer as the years progressed. Uncle Jim was a person you always enjoyed being around. A staunch supporter of mine and my goals, Uncle Jim was highly supportive at a few of the most critical times in my adult life. I always felt good in his presence, and was sincerely flattered by the time and attention he afforded me. Time spent with Uncle Jim and Aunt Judy will be remembered as some of the finest "fireside chats" I have had. You lived a great life Uncle Jim. God Bless.
