

Michael Patrick Griffin

April 9, 1987 - September 2, 2019

GRIFFIN, Michael Patrick

Passed in peace unexpectedly on Monday September 2, 2019, at the age of 32 years.

Michael was born in the city of St. Petersburg, Florida at St. Anthony Hospital on April 9, 1987. He was the second son of Kimberly Walsh and Steve Griffin. He attended St. Petersburg college in pursuit of a computer science degree, and managed operations for the family business. Michael was a devoted son, brother, and a very proud uncle. He was the most fun-loving, energetic, adventurous, and free-spirited soul this world has ever known. Michael truly lived life to the fullest through simple pleasures; chatting with friends and family, helping anyone he could, and spending time with his nephew.

Michael is survived by his parents, Kimberly Walsh and Steve Griffin; two brothers, Steven Griffin and his wife Georgia Griffin, and Vincent McCall; his sister, Ashley Voskuhl; his nephew, Grayson Griffin; and a large extended loving family filled with cousins, uncles, aunts, nieces, and nephews.

Michael will be fondly remembered by his family and friends as a loving uncle, son, brother, and a free spirit who knew how to make anyone smile. Michael had such a big spirit, big personality, and most importantly, a big heart. He had an uncanny ability to reach people in a deep and positive way.

Our world has truly lost one of the good souls, and heaven has gained an incredible angel.

A funeral service is scheduled for 2:00 p.m. on Saturday September 21, 2019 at the Unity Church of Palm Harbor located at 1960 Tampa Road, Palm Harbor, FL 34683 with a celebration of life to follow in the adjacent hall. Tani Malloe, a lifelong friend of Michael, will officiate with the assistance of Reverend Bob. Flowers may be sent to the Unity Church.

Comments

“ It is with a heavy heart that I am unable to be there to say my final goodbyes in person but know that my thoughts and prayers are with the family and that I am sending love, light and healing vibes to all. Mikey... You are gone way too soon. And though I know in my heart that you are at peace for you are now one with the Ethers, I still can not help but to cry. I will always remember our friendship as I reminisce on the days when we were kids growing up and running around the beach as if we hadn't a care in the world. Mikey, you will be missed more than you know. Love you, Home-slice. Rest In Peace

“ Things will not be the same without you Michael Griffin, words can't express how impactful you were to me growing up. You always made me smile and made things seem okay. Even though life took over and we lost frequent contact as we grew up.. I've often thought of moments with you throughout our childhood and laughed to myself and found peace of mind. Sometimes, not even remembering anything specific, just a memory of your infectious smile and the knowledge that a person like you is out there and I know him. Always light and good hearted. Always willing to listen to other people's problems and at least offer levity if nothing else. I always figured I'd be chilling with you again someday catching up. You're already so missed and so mourned, by so many. So blessed to have known you. Hope to see you up there when my time comes. Watch over us and comfort us. Miss and love you bro! Rest in eternal peace and love! I planned on making it to your service.. I am not well enough to attend. But I know you're here with us all. Miss you so much brother. Missed you when you were alive, now there's nothing I can do about it. But I'll always remember you and smile. Love you brother. Wish I could be there to pay my final respects.

“ You will always be remembered and cherished in my heart. I wish we had kept in touch better after we moved to Colorado, but I always kept you in my heart. I will never forget the fun times you, Brittany and I shared out in St.Pete in the cabin when Marshall was a babe. I also will never forget how much you helped us when I was pregnant with Lyric, helping Brian with a job so we could get on our feet again. The list could go on, and I wish I could fly down to Florida for the service but unfortunately it's not a possibility at the moment but, I will be there in spirit. Love you Mikey! I will keep your family in my prayers :-(xoxo
