“ Lucila, what a beautiful tribute to your Abuela! I will certainly be generous with my smiles today. I understand your sadness; I was very close to my grandmother who was full of smiles and laughter who died in 2001. She was my matron of honor in my wedding and held on to her life until she met my first baby, Maddie. She literally died the next day I still miss her and think of her every day. My heart is wrapped around you today!Darcy

“ Tom has been a dear friend of mine since 1998 I will truly miss our conversations & emails. He drove from New Jersey to Everett, WA to meet me and we enjoyed every moment of his time there. Then, he came and stayed with me for 3 or 4 months 4 or 5 yrs ago (maybe longer - I am bad about time frames) and it was the same - enjoyed all our time together and I am blessed that I had those times with him. I believe he is now 'healthy again' and enjoying all the things he loved that he hasn't been able to do for years. Fishing, camping, hiking, 4 wheeling in the mountains - I will forever miss communicating with him, learning from him but he will forever be in our hearts & our thoughts and he is now free from the 'earthy restrictions of C.O.P.D and I believe doing all the things he most enjoyed and that makes my heart HAPPY.....R.I.P Thomas J. King Love you always, Patti A
