

William Brian Mullinix II

February 22, 1971 - April 22, 2020

William Brian Mullinix, age 49, was born February 22, 1971 in Cincinnati, Ohio and passed away April 22, 2020 in Pinellas County, FL. Brian grew up in St. Pete, Florida, St. Maries, Idaho and Portland, Oregon where he graduated from Beaverton High School. After a brief stint in college he and some friends spent about 7 years on Maui being surfing beach bums! He returned to St. Pete in 1998 where he spent his working career as a flooring contractor. Brian married Sandra Casasbuenas in Bogota, Columbia in 1999. They had one child, Megan Marie Mullinix, now age 17, who was the light of his life and his very best friend. He will forever be her Guardian Angel. Brian has a great group of very good friends who remember him as always being there for them when they needed anything and also as a happy, life of the party guy who loved going to the Bucs games and fishing. He will be dearly missed! Brian was predeceased by his grandparents, Paul and Margaret Burgess who he always spent his summers with in St. Pete. He is survived by his daughter, Megan Mullinix, his mom and step dad, Bev and Scott White, his father, Bill Mullinix, step sister, Lindsay Mullinix, ex wife and Megan's mom, Sandra Parks, and numerous other relatives including those in Bogota and all of his friends. It's not about weathering the storm but rather learning how to dance in the rain. ... Brian would want us to dance!

A celebration of life will be held when allowed due to Covid 19. Please feel free to leave condolences and/or pictures on Brian's Tribute Wall.

It's been over a month since you left us and we still wake up not wanting to believe this has happened. We had so much fun as a family. As a kid you were always up for everything and we enjoyed it all so much. First it was the beach and boating in Florida and mom-mom and gran. Then when we moved to northern Idaho we had such different things to do. From playing on the lake, boating and skiing and fishing, camping and riding dirt bikes all over the old logging roads, playing in the snow, ice skating on the lake, snowmobiling and skiing. Too many things to mention but I think about them all the time. As an adult you never lost your love of life, friends and family. You were always there for everyone to a fault. You gave us the most beautiful gift in your daughter and our granddaughter...she is a wonderful piece of you that we will always love and cherish. I know you will watch over her. She will make you proud! I am so glad we got to spend last Christmas together. We will always love you so much and miss you so! You will always be in our .

“ My relationship with Brian was unexpected and loving him was easy. His presence in my life was impactful and deeply felt. He showed me beautiful things in his gentle way. Our time together was far to short, he taught me lessons of the heart that will stay with me always. I miss him greatly and know he's looking over those he loved and cared for. Fly high babe, until we meet again.

“ Brian went to Colombia several times to visit my family and every time that we went out all the girls were after him because he was so handsome. He was tall, white and all the girls went crazy about him and he loved it because he knew how handsome he was. Also, my family tough him to curse in Spanish and he always said all those bad words in front of everybody. That was really funny. I always had fun with him.THANK YOU for the best present of my life, our daughter
